I have had at least one person ask me if I would continue teaching a Bible study class now that the corps is closed. That is a possibility, and with this letter – sent to about 15 people who have been active at the corps during the past few months – I am trying to determine whether others are also interested in continuing our Bible study.

There may also be other things that we want to do as a group. Please mark the enclosed postcard and return it to me to indicate whether you are interested in:

- Bible study - we could continue to meet weekly or limit it to once a month; if we have just a few we could meet in our homes, otherwise we'll arrange for a meeting room somewhere.
- Newsletter - I could edit a monthly newsletter if there is enough interest; it could include only local information or news from the larger Army world. The beginnings of a website are at [<http://ghsf.jdcard.com>](http://ghsf.jdcard.com).
- Meetups - we could meet occasionally just to share a meal, catch up on our life events, and maybe sing some Army songs; these might be hosted in our various homes or we could gather at a public place like a restaurant or have a pot-luck picnic in the park.
- Group outings - to local events (Easter sunrise or good Friday services, concerts, arts and crafts shows, county fair, etc.) or to divisional events (band concert, events at camp, etc.) where we attend as a group and might have a meal or other fellowship opportunity either before or after.
- Christian service - we might want to offer some form of organized service to the community; this could include volunteering at the food bank, park cleanup days, or any of the dozens of ideas that you might suggest.

Obviously if you express an interest in having any of these opportunities it implies that you're willing to help make them happen. That may mean occasionally hosting the group in your home (if we decide to meet in our homes), or sharing information with the newsletter editor, or showing up at work parties. I expect that we won't need to raise funds for any of these and that we'll be able to pay our own way as individuals for any group outings we may plan.

Please indicate your interests on the post card and mail it back to me. You don't need to put your name or any other personal information on the card because I've printed it with a code that will let me know it came from you. This letter may be the only thing that ever comes of the idea of having a Grays Harbor Salvationists Fellowship. If you (collectively) have no interest I'll focus my efforts elsewhere.

Thanks for the fellowship we've already enjoyed together, I'm hoping we'll continue to serve together.
